1. The new mortgage on The Barn has closed. While one crisis has been averted, we still have a negative cash flow due to the necessity of lowering rent to fill the house. We will be providing further details, but your continued financial support is still needed and appreciated.

2. Note from Tammy Bagnato:

Hello All,

This is our LAST Work Weekend for the Summer!

We have two NEW workers coming this weekend that we are VERY excited to see!

Jeff Shu: #338
Mike Gavazzi: #358

We also have some of our Usual Suspects attending:

Pete Saunders
Monty Fearnow

John Shirley
Chandler Slate
Chrissy Stone
Me (Tammy Bagnato)

....and no doubt some of the younger guys (both active and newly graduated. I haven't heard back from everyone yet.

In addition, the **31st Annual Steppin' Out festival** will be happening in Blacksburg this weekend. The town closes off the main streets downtown, and there all kinds of crafts, merchants, music (bands), food, and demonstrations (from dance schools to karate instructors -- for both kids and adults). The schedule can be found here:

<http://www.blacksburgsteppinout.com/>. Of course, our main objective is to get needed work done on the house, but the festival provides a nice break in the evening hours, and we are thinking Friday night might be a good time....possibly Saturday night, if we're not engrossed in house items.

Finally, our **2nd Annual Fall BBQ Reunion** will be held at the house September 24th. ...more on this in the next e-mail!
